

Products manufactured for the protection of people at work are often products that can be used for the protection of military personnel. CBRN suits are all resistant to various warfare toxins and combat gases (Sarin, Tabun, Yperite, ...)

COMAT (& White CGN)

The COMAT suit is a single-use category 3 PPE. The suit protects the skin against a large number of hazardous liquid chemicals used in many fields of activity (chemical or oil industry, rescue teams, waste management, military and paramilitary operations, etc.).
